Preface

The Southeast Asian Ministers of Education Organization (SEAMEO) Regional Centre for Quality Improvement for Teachers and Education Personnel in Mathematics (QITEP) in Mathematics organized the 5th ISMEI 2018 with the theme "Preparing Future Generations through Transdisciplinary Learning".

ISMEI is a biennially event which aims to foster the exchange of innovative ideas and strategies for mathematics teaching and learning in modern classrooms. This international forum also provides an opportunity for mathematics educators to foster collaboration and partnership.

List of committees Advisory Committee, Steering Committee, Reviewer Team, Keynote Speakers and Pictures are available in this pdf.
